Personal Emergency Protection “PEP” VEST

Adapting the concepts required of life jackets for aircraft and water craft, Accushape™ created a unique *TRAPEZOID* design for the “PEP” (*Personal Emergency Protection*).

Wearability - Functionality - Modularity

Hand me down designs of bullet proof vests will not get the job done. The needs of a group of ordinary people finding themselves in the middle of an unexpected attack are much different.

Wearability

Unique Trapezoid design allows one size fits all
Adjustable shoulder straps
Adjustable waist belt, easy on cinch tight

Functionality

Trapezoid design allows freedom of movement, does not inhibit mobility
Front Velcro Closure Pocket to Store Cell phone, Flashlight and Emergency first aid kit* (*items not included)

Modularity

QCSquared 3-A ballistics CPL panels

provide protection to pistol bullets

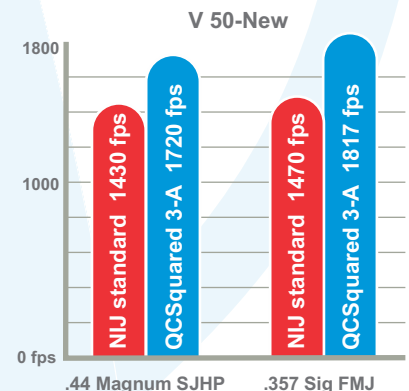

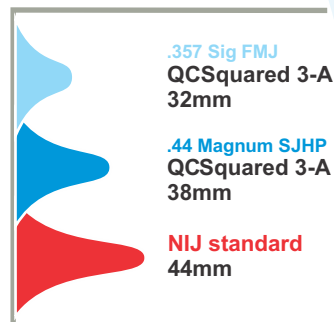

T^{AS}® light weight plates provide protection against rifle bullets and sharp objects, knives, bricks and thrown objects.

Standard initial 8-year warranty can be extended by mutual agreement on periodic inspection program to lower annual cost.

Customization available upon request.

QCSquared 3-A Ballistic Panels Exceed NIJ Standards
